SO YOU THINK YOU CAN ACT COMPETITION

CHATHAM, ON – December 03, 2009: Voices In The Wind Audio Theatre and CFCO Country 92.9 FM are holding open auditions for the part of twelve year old Meg for the upcoming radio drama production of 'Running to Detroit' to be broadcast on CFCO in July 2010.

David Farquhar, the Executive Producer notes "this is an excellent opportunity for a young girl in the ten to fourteen years of age range to perform in a professional radio drama production. The part of Meg is a leading role and the winner will receive a performance fee and be acting alongside noted actors, Noelle Dupuis, Keith Burnett, Bob Telfer, Michelle Mainwaring, Cheri Scratch and Jason Gale. The director is Joey Ouellette, Artistic Director of The Purple Theatre Company, Windsor."

Farquhar says, "The radio drama revolves around Meg and her Mom Sandra who are heading to Detroit for a little cross border shopping and a Tigers game. But due to unforeseen circumstances they are turned back at the border. An odd encounter on the Windsor waterfront leads them into a wild night of time-travel, rum-smuggling, near-drowning, hijackers, customs officials thirsty for bribes and a chance encounter with controversial baseball legend Ty Cobb.

The sound effects and music will take the listeners back from 2010 to the 1920's, a time when heading for the Wild West meant sneaking into Michigan with a boatload of Canadian contraband!"

The auditions will be held on Saturday December 12, 2009 in Room 100 at St. Clair College, Chatham from 1:00 to 4:00 PM. Tune in to the Morning Show with Dave and Cheryl on CFCO AM 630 / 92.9 FM for further updates and announcements.

'Running to Detroit' was scripted by Dave Carley one of Canada's leading Playwrights and Radio Dramatists especially for Voices In The Wind Audio Theatre. Dave's works have been produced across Canada and the United States, as well as many countries around the world.
